Ladies and Gentleman,

I just faxed this summons over to you.

I know that Annie has been kind enough to make herself available, Della might be available if we can schedule accordingly, Nicole is available, and I'm not sure about Daniel. Ideally, I'd like to have you all on call, so you don't come down for nothing on Wednesday. After all, picking the jury and presenting the underlying case will take most of that day. I'd expect to get to the chemistry portion of the trial sometime on Thursday or Friday at the absolute latest. I will do my absolute best to work around your schedules.

We will be in a brand new courthouse, so I have included directions below. Parking will be difficult. I have attached a pdf with a parking map which shows parking garages and metered/free on-street parking. Please note that some of the neighborhoods around the courthouse are high crime areas, so please use your best judgment. If an area looks questionable, play it safe and assume that it is.

If there are any issues and/or concerns, please let me know.

Thanks,
Greg
